SIMPLE TOUCH CONTROLLER

DTP401A61

Introducing the Simple Touch Controller – your perfect award winning solution for individual, group and zone control. This centralised remote offers power on/off functionality and convenient timer settings. With the ability to constantly monitor the status of all connected systems, it provides real-time alerts and notifications.

VERSATILE AESTHETIC

Sleek and minimalist design that seamlessly blends in with various interior style, from modern offices to upscale residences.

INTUITIVE DESIGN

The controller boasts an intuitive design that simplifies navigation and operation. With a clear interface and responsive controls, essential functions are easily accessible, allowing for quick adjustments and monitoring.

FLEXIBILITY AND ADAPTABILITY

Suitable for a wide range of application across different environments. Its adaptability ensures optimal performance whether in homes, offices, or industrial settings.
