Assembly dressing mirror

Please follow the illustrated instructions strictly.

Assembly stool

1. Fix the chair legs (9) with two screws (16) each to the seat rack (8). Use allen wrench. Be careful, the bars (L) of the seat rack have to be at the bottom. (right picture)
 2. Fix the cushion (10) to the seat rack (8). Take four screws (16) for that. (picture below)
 3. Turn the stool around and place it with your dressing table.
- ATTENTION: Make sure ALL screws (table and stool) are properly tightened.**
